**CDSF Motion RE: WDSF Open Championship –  
recalling system**

**MOVED**, to add a new point into the **WDSF Competition Rules point E.2.7 Recalling Couples**:

8.2.7.2. In all WDSF Open Championships under the rule E.4.2 couples are recalled to the next rounds according rules of WRLT World Open competitions (Management of WDSF World Ranking Competitions).

and renumber the followings rules E.8.2.7.2 and E.8.2.7.3 to E.8.2.7.3 and E.8.2.7.4.

### **Explanation:**

The WDSF Open Championships in Senior categories are overcrowded, extremely long and exhaustive. The last rounds are danced very late in the night (more often in the early morning). Couples and adjudicators also are very tired and it is not possible to ask them to do their best. The biggest WDSF Open competitions (as GOC, ROC), which are principally similar to WDSF Open Championships are organized according Management of WDSF World Ranking Competition and could be the good example for WDSF Open Championship.
