WDSF AGM 2023 – Czech Motion No. 2: Dress regulation

Moved,

to change **WDSF Competition Rules – Appendix: Dress regulation, Appendix 2: Juvenile Female Dress, C. Skirt, 3rd bullet point**

from:

„- frills on the skirt or the underskirt, boning, soft boning or fishing line used in the hem of the skirt – NA“

to:

„- frills on the skirt or the underskirt, boning, soft boning or fishing line – **OA if used in the hem of the skirt**“

Explanation:

Many Chairpersons do not understand this rule or do not distinguish the right dresses according to this rule. Therefore, they do not enforce this rule and Juvenile couples are forced to have two dresses - according to the rules and dresses that will be accepted by such a chairperson, and which gives an advantage to the wearer.

The above-described change allows for the use of only one dress, which most chairpersons will allow anyway. This is especially economically less demanding for couples.
